No. 2334 gl-2

Madras, dated 13th October 1937.

From (Name) CAPTAIN B. GORDON, R.I.N.,

Presidency Port Officer, Madras,

To The Secretary to the Government of Madras,

PUBLIC WORKS Department.

Sir,

(T)

G.O.No.422 Ms. Finance (Marine); dated
13-8-1934.

I have the honour to state that in the order cited above Government permitted the residents of the sandspit at Mangalore to erect a shed 20' x 15' every year from 15th June to 15th September on the south reclamation land at that port, free of rent, subject to the conditions laid down therein.

under pp3-4 mfr They have now sent in a petition to the President, Port Conservancy Board, Mangalore praying for permission to retain it during the remaining months of the year on the same conditions. It is represented that the shed is required for their children reading in schools on the mainland to take their mid-day meal and also for shelter when they proceed to and from the sandspit to the mainland. The Port Conservancy

Board

Board, Mangalore recommends the above petition. The Collector of South Kanara states that the need expressed is real and the request of the petitioners therefore deserves favourable consideration.

17p3-10mg

2. The site is near the premises of the Standard-Vacuum Oil Co. and will not in any way interfere with the shipping facilities of the Port

3. In the circumstances stated above, I request that Government may be pleased to sanction the extension of the concession granted in the G.O. cited above throughout the year on the conditions mentioned therein and further condition that the permission of the Port Officer, Mangalore for erecting the shed should be applied for and obtained by the petitioners every year so that they may not claim any prescriptive right later.

I have the honour to be,
Sir,
Your most obedient servant,

W. I. Ruffe
13/10.

for Presidency Port Officer.

M

3

Mangalore,
24-9-1937

The President,

Port Conservancy Board,

Mangalore.

Respectfully submitted through

The Port Officer,

Mangalore.

Humble representation submitted by the
fisherfolk residents of the Sandspit,
Mangalore.

Respected Sir,

(T)

In kind response to a joint representation submitted by us in 1934, you have been good enough to grant permission to erect a temporary shed 20 feet long x 15 feet broad and 10 feet high on the southern end of the south reclamation ground, every year from the commencement of monsoon till the end of September to enable our school going boys and girls to come and stay there during the noon interval and take their meals as well as to be used as a halting place waiting for boats to carry them to the other side.

This shed has proved a great boon during the last three monsoon seasons and all our school going boys and girls have been largely benefitted by its use. They should have been otherwise stranded on the mainland for want of a suitable shelter and spend their leisure hours in the noon and also to partake of the meals sent for them.

There is no school on the sandspit containing classes beyond the V Class and hence the number of boys and girls attending the school on the mainland has largely increased, and great inconvenience is felt by them for want of a place to rest and take their meal during the noon day.

We are a poor set of people and have no Boarding
House or Hotel of our own community where these young
boys and girls can rest, read and eat during the mid-day
leisure, and also by having a halting and resting place
on the way to the school and back to the main house.

We have therefore felt the need to approach your
goodselves with this representation most humbly, imploring
that you may be graciously pleased to permit us to retain
the shed during the summer months on the strict under-
standing that it will not be used for any purpose other
than the one intended for and that it is to be removed
whenever so ordered by the departmental authorities.

For which act of mercy and kindness we will feel
ever grateful.

We beg to remain,

Respected Sir,

Your most obedient servants,

Any order on this may be sent to

Mr. Koosaya Puttrann, s/o. Manju Karkera,

Sandspit, Mangalore.

Resolution No. VI of the Port Conservancy Board, Mangalore
dated 28th september 1937.

Read petition dated 24-9-1937 of residents on the sandspit,
Mangalore requesting permission to retain the temporary 3 monsoon
months' shelter shed on the south reclamation throughout the year.

Read Port Officer's note dated 24th September 1937.

"The petition will be forwarded with
the Board's recommendation."

12
NOTE FOR THE PORT CONSERVANCY BOARD.

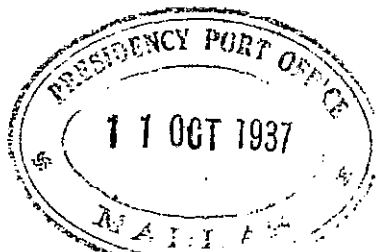

On the representation of residents of the sandspit at Mangalore in 1934 the Government were pleased in G.O.No.422 Hs. Finance (dated 13-8-1934) to permit them to erect a temporary shed 20'x15' every year from 15th June to 15th September on the South reclamation land at the port of Mangalore where all ferry boats group, free of rent subject to the condition that the space should be used solely for shelter etc.

The petitioners now request that they may be permitted to retain the shed during the summer months also, i.e., throughout the year for reasons stated in the petition.

It is considered the request of the petitioners is reasonable and the question of permitting a shed 20'x15' throughout the year on the terms mentioned in G.O.No.422 Hs. Finance (Marine) dated 13-8-1937 may be favourably considered.

Port office, Mangalore.)

from the P.O. no 23348-28.12.37

mp8-97 (T)

In G.O. no 422 Mar 2, 13.8.34,

the residents of the sandpit in the South Reclamation area at the port of Mangalore were permitted to construct a temporary shed every year for a period of 3 months from 15th June, subject to certain conditions. The residents have

mp 3-4 cf petitioned that they ~~may~~ ^{the shed} be allowed to be retained for the remaining months of the year for the reasons stated at p 3 cf

b 2 cf The P.C. Board and the Collector of Kanara recommend the proposal. The P.O. also

b 2 cf recommends the concession subject to the conditions mentioned in the G.O. cited above and to the ^{additional} condition that permission is

b 2 cf obtained for erecting the shed is obtained every year.

As the shed is to remain throughout the year, a licence in the form annexed to G.O. no 2873 P.W. 2, 14.12.36 may be granted. A draft order is accordingly mtr
